2016

Opportunity awaits at this 2016 built, only freestanding home in the quaint neighborhood of Siesta On the Rock- Crescent Beach in the award winning Siesta Key. Just steps from the beach enjoy all that Siesta Key and Sarasota has to offer. Stepping into this home you will be greeted with an open floor plan of the kitchen to dining room and living room combo. With views of the pool from your lanai...enjoy grilling and entertaining with family and friends. An en suite on the main floor gives privacy to guests. Upstairs you will find two more en suite bedrooms and the beautiful master suite, all with spacious walk in showers. Don't miss the added features of an elevator and the rooftop balcony for exquisite sunset views.
