This gorgeous home is move in ready! It has the wide open feel like Wyoming, and welcoming pastures like Kentucky. You are greeted by the large foyer and soaring vaulted ceilings in the great-room. This is a huge, beautiful home filled with lots of storage! Two unfinished rooms upstairs can easily be made into an extra bathroom or office. If you're looking for plenty of room for children, or plenty of room for horses than you have found your next home. The River Ranch displays a sky full of stars. It's close to civilization, far enough to be in the country. It's a ADT Smart home, Pulse System. It's triple zoned. Live on a ranch; drive to the ocean; golfing near by. Property is zoned A-1, Horses are allowed by county, there is no HOA & the school bus stops at the end of the driveway. There is a two panel electrical wiring in garage wont need to run electric from the street boarding for horses now less than 1/2 mile! High demand school district wont last!!
