This remarkable Federal style home is classically formal and yet livable for today's families. Gorgeous kitchen and master bath renovations, new paint, lighting, and professional landscaping make this a move-in ready home for the discerning buyer. The large and flowing rooms on the main floor are perfect for entertaining. A true Executive home located inside the perimeter, it is close to many public and private schools, hiking trails along the Chattahoochee River, and the Atlanta Braves ballpark. The location makes it an easy commute to Buckhead, Downtown, and Sandy Springs.
