This exceptional home is located in the highly desirable part of Brightwood on a quiet tree-lined street. This gracious residence is equally suited for elegant entertaining or the comfort of casual living. The first floor boasts ample space for entertaining to include a gorgeous living room with fireplace and formal dining room and den that completes the first floor. The second floor provides three bedrooms including a delightful master bedroom with en suite bathroom and a hall main bathroom. The finished attic can be used as a family room or a fifth bedroom. The fully-finished lower level presents a large recreation room, generous home office, plenty of storage and a sixth bedroom with a fourth full bathroom. What a find!
