1986

This large Palm City pool home is situated on a 1/3 acre lot located in a quiet "off the beaten path" neighborhood called "HIDDEN ISLE" at the end of Mapp Rd just past Palm Cove. This is a NO HOA community which means you can bring your boat, RV, truck & business van...no problem. This particular home has an area for your boat plus an oversize garage & circular driveway that can accommodate several vehicles. This well maintained home is charming inside with wood floors & cozy stone fireplace & has a large open flowing floor plan that is great for entertaining friends & family & if you need wheel chair access for a family member, this home will accommodate that too. It was a quality custom built home in 1986 and is only a two owner home. Plantation shutters, new AC,new water heater
