Designer dream home as featured in Luxe Magazine and Chicago Tribune. Sleek, elegant design with cascading views of the entire city, this completely re-imagined “A” tier takes luxe living to new levels. Entertain with ease - this open floorplan maximizes living space with removable and retractable custom walls. Highly personalized Bulthaup kitchen features high-end appliances, including Gaggenau, Miele, and a Dacor built-in wine dispensing system. Rich wood and porcelain adorn the walls and floors, creating a minimalistic aesthetic. Advanced home technology and lighting system, whole house water filtration, and new age high-efficiency HVAC. Option to purchase furnished. In a building known for its service and ease of lifestyle, top-rated amenities are in abundance.
