City and Mountain Views! Pristine sweeping windows with soaring ceiling & floor to ceiling fireplace. Kitchen featuring granite, 6 burner stove, grill & double oven, all focused around a spacious dining area with custom built ins. Four spacious bedrooms plus five and one half bathrooms. Master suite featuring jet tub & impressive walk in closet. Theater room, wet bar, attached 4 car garage and detached 9 car heated workshop with office and full bathroom. Salt water pool, slide & pool house. All of this sitting on two manicured acres with raised garden beds, fruit trees and sprinkler system. Endless views of the Columbia River valley & Cascades.
